### **Lighthouse ArtCenter welcomes new board members**

Tequesta, Fla. — ([December 27, 2010](#)) – Two influential members of the community have recently joined the board of Directors to serve the Lighthouse ArtCenter through its 2010-2011 season term. The Tequesta-based ArtCenter welcomes Frederick Putney and John Tinnemeyer as the organization's newest board members. Both Putney and Tinnemeyer bring to the Board of Directors a significant amount of experience and expertise in the field of banking and finance.

Frederick Putney is co-founder of Brownson & Associates in Chicago, Illinois (predecessor organization of Brownson, Rehms & Foxworth). He is a former Executive Vice President of the existing firm and currently serves as an investment strategist. He is also a co-founder and former partner of the Riverside Group and a former professor in Accounting and Finance of Columbia University. His close affiliation with the university, among other organizations, has led to his publication of numerous articles and chapters of books, here and abroad, and he continues to consult widely for corporate, non-profit, and government sectors, including a section of faculty members at Harvard University.

John Tinnemeyer is Director and Wealth Advisor with Harris Private Bank since 2009 and holds more than 38 years of experience in financial services. He serves on the Harriet L. Wilkes Honors College and Foundation Board at Florida Atlantic University. He also serves on the Executive Committees of both the Boy Scouts of America and the American Cancer Society. He is currently an Ambassador and Corporate Committee member of Jupiter Medical Center.

Mr. Tinnemeyer and Harris Private Bank have provided generous support of past events at the Lighthouse ArtCenter, including the recent Dr. Heather Coltman Piano Concert. His wife, Sally, has been involved with the ArtCenter for many years, serving on several committees.
